

# Joseph Vento

Front-end Developer & Graphic Designer from Gran Canaria, Spain

jvp.2703@gmail.com • linkedin.com/in/josephvp • josephv.vercel.app • +34645058243

I consider myself a creative person, enthusiastic about front-end development and dedicated to continuous learning. The goals I set serve as my primary source of motivation, driving me to overcome challenges and achieve meaningful results.

## EXPERIENCE

---

### Front-end Developer

Jan. 2024 – Current

Freelancer

Currently working as a freelance developer, at the same seeking new opportunities and polishing my skills through doing.

### Web Developer Trainee

Jan. 2023 – May. 2023

FULP • Gran Canaria, Spain

I was part of the Programmer School project by the 'FULP' in Gran Canaria, I worked for four months on executing simulated projects. This initiative allowed us to apply the knowledge gained during the bootcamp at Reboot Academy.

- Research and UI design of a tool app for artists and illustrators based on image references with multiple categories similar to the site line-of-action.com.
- Build a database to reference and store images on a BaaS platform.
- Development of the client from scratch with React and Bootstrap.

### Designer and Illustrator

Feb. 2019 – Nov. 2022

Freelancer

I spent a period designing logos, flyers, business cards, posters and mockups with Adobe CC for multiple clients, also I was part of a 'LANCÔME' campaign to promote a product through traditional and digital Illustrations with Procreate.
